

ASABE AIM Technical Tours

All attempts will be made to deliver the tours you registered for. Participation will be on a first to register basis. Every attempt will be made to run these tours as planned, but ASABE reserves the right to cancel tours for low attendance or unforeseen issues. Refunds will be made only if the tour is canceled.

CLAAS NA & Lindsay Tour

Dates Offered:

- **Monday, July 10, 2023 at 2:00 PM – 5:30 PM**
- **Thursday July 13, 2023 at 8:15 AM - 11:45 AM**

Learn about CLAAS products sold in North America and how the CLAAS NA Lexion Combine is built. CLAAS is a 107-year-old family company that develops and manufactures tractors, combines, forage harvesters, balers and hay tools. CLAAS Omaha is the North American headquarters and home of CLAAS of America, Inc., the sales, marketing, service, and parts company as well as CLAAS Omaha, the engineering & production company. The CLAAS group is excited to offer this opportunity to share how it is part of the food chain helping to feed the world.

Visit the Lindsay Headquarters in Omaha and learn how Lindsay has been a pioneer provider of irrigation and water management solutions. From the strength and durability of Zimmatic[®] pivot systems to the intelligence and advanced technology of FieldNET[™], their full portfolio of industry-leading products and services help conserve resources, increase yields and benefit growers worldwide.

Tour Requirements: Participants must be over 18 years old, able to take walking tours and manage stairs, wear closed toe shoes, no shorts, no back packs are permitted at company sites (you can leave bags on bus), all tour attendees are responsible for their personal property. While on tour, taking pictures taking is not allowed except as host permits.

Cost \$35 – Includes: Roundtrip transportation between CHI, CLAAS, and Lindsay.
